Dear Children of God,

Matthew 3:1-3 - In those days John the Baptist came preaching in the wilderness of Judea, 2 "Repent, for the kingdom of heaven is at hand." 3 For this is he who was spoken of by the prophet Isaiah when he said, "The voice of one crying in the wilderness: 'Prepare the way of the Lord; make his paths straight.'"

Why do we have to read these lessons about John the Baptist? Why do we sing those "hard to sing" Advent hymns!? Because as Anglicans we join together with other Christians around the world in a yearly cycle, a church calendar, a liturgical calendar, with seasons. Yes, but why!?

Why do we follow a liturgical calendar that prescribes these particular scriptures and seasons? Because as Believers, we are followers of Jesus Christ. And so each year, through the scriptures and seasons, we "follow" Jesus through His life, death and resurrection.

Each liturgical calendar year begins with Advent - a season to prepare for his birth and then earthly ministry. So it makes sense that we would read accounts of John the Baptist and his ministry as he "prepared" everyone for the earthly ministry of Jesus. We will also read accounts of Mary and Joseph to prepare for the birth of Jesus.

Each new liturgical year is Trinity's spiritual discipline of following the life, death and resurrection (The Gospel) of our Savior Jesus Christ.

Happy Advent,

Trinity’s Vision Statement and Statements of Faith:

*Trinity’s vision is to
Lover the Lord, Know One Another and Serve Others

1. What has been your reflection on and participation in the vision of Trinity?

Tim and I moved to Bennetts Point 12 years ago from Mt Pleasant. We had attended Holy Cross on Sullivans Island for more than 20 years. We immediately loved Trinity. Everyone was so welcoming and I loved the idea that Wey boldly took the Gospel outside the church in the form of the beach service.

I became excited about Missions after going to Peru. I am an active member in the Order of the Daughters of the King, I am an active member of the Missions Committee and very committed to the Sowing Circle, and Tim and I are part of the Trinity Ushers. All of these ministries involve working with parishioners to serve others and share the Good News of the Gospel.

2. Tell us about your faith.

My personal faith - being sure of what you can not see - was birthed when I was diagnosed with cancer at age 28. I had to decide whether all the things I had been hearing about in church were true or not. Thank you Lord, I had heard the truth.

1. What has been your reflection on and participation in the vision of Trinity?

In 1999 we moved to Edisto full time having sold our business and taking a leap of faith. I was seeking a more balanced life, less work and more ? Little did I know then where much of that balance would come from.

For 21 years there have been many opportunities to serve and learn one way or another at Trinity. In reading over Trinity's vision statement I realize each one has been painlessly happening in my life all this time. From study groups, VBS, kitchen team, Sunday school (child and adult), vestry ,events, flower guild, and other endeavors, I count it all blessings.

2. Tell us about your faith.

A belief in the Lord has always been part of my life, but it took adult Christian education to really drive it home. The more bible study the easier to have conversations with Jesus, the easier to call on the Holy Spirit and most of all, easier to understand what having the peace of God means.

There is a wonderful song by Josh Groban, " You Raise Me Up". The last line is "you raise me up: to be more than I can be". That is what He does for me.

1. What has been your reflection on and participation in the vision of Trinity?

Hello and thank you for this opportunity to serve on the Vestry again. Trinity has been a faithful anchor in my family for many years on Edisto. I value the time serving God in his church, willing and ready to follow Gods lead. Thank you for this opportunity.

2. Tell us about your faith.

I grew up in Orangeburg as a member at Church of the Redeemer, which started my deep faith in the Lord and value in Christianity. I want to see generations to come to have the same. God brought me to Edisto summering, starting as an infant, planting the seed to bring me back to make a home and raise a family. Blessings have come in so many ways, with business, friends, church family and especially with a beautiful wife and daughter.

“No Homework” Bible Study

The “No Homework Bible Study meets on Monday mornings at 9:45 a.m. Men and women are invited! We gather in the parish library. Our class is led by the Holy Spirit. God’s Word is a treasure to be searched and revealed. It is a privilege to have the opportunity to do this together. **Each week stands on its own**, so come as you are able.

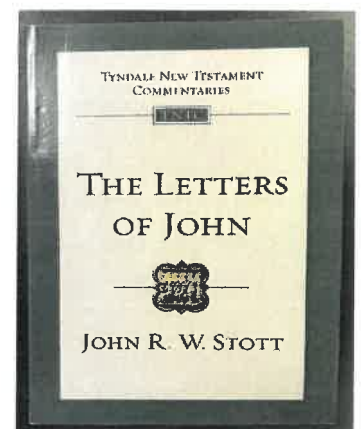

In recognition of the water of life received from the Word each week, the **Monday No Homework Bible Study’s** outreach ministry is the digging of wells through **Life Outreach International/ Water for Life** which provides life, bringing clean water to areas in third world countries where there is none. Our Bible Study has decided to make weekly offerings that will be added to an end-of-the-year gift. This is a tangible way we acknowledge the nourishment of the water of the Word in our lives.

Also, please continue to save the pop tops off beverage cans and soup/vegetable cans. We give them to the Ronald McDonald House who use the proceeds for various projects. There is a jar on the table in front of the office where they can be deposited. We hope you will join us each Monday as we discover the treasures God has to meet all of life’s challenges!

Contact facilitators: Sallie Currin ([843-469-4498](tel:843-469-4498)) or Martha Sparks ([843-513-9606](tel:843-513-9606)) or teacher: Penelope Wright ([843-864-3657](tel:843-864-3657)), if you have questions.

Men’s Bible Study - Men from different churches across Edisto Island and Beach gather on Thursday to drink coffee at 7:45am and then we dig into the letter of I John. We close in prayer by 9:00am. Men are invited to stop by for an occasion or take this on as a new spiritual discipline to grow in His Grace! The Rev. Wey Camp, Rector

Cursillo

in the Anglican Diocese of South Carolina is now

SC Anglican Fourth Day Cursillo

What is Cursillo?

- “Cursillo” is Spanish for “a short course.” It is a movement of the church. Its purpose is to help those in the church understand their individual callings to be Christian Leaders.
- Cursillo is not designed to meet every spiritual need of every individual or group in the church. It is designed for the participant to “get away” from the daily routine, to listen to the Spirit and live for three days in Christian Community so that through study, worship, fellowship and introspection, one might sense the deeper calling of Christ in their lives to further service in His Church and know how to move forward on this journey.
- The overall goal of Cursillo is the goal of the Church: to bring all to Christ. This is done when informed, trained Christians set out with the support of others having a similar commitment. The Cursillo Weekend takes people who are already Christians and gives them foundational training based on the New Testament Christianity and helps them further discover their own “apostolic calling” based on their individual spiritual gifts!
- But most of all the Cursillo Weekend is about experiencing the unconditional Love of Jesus and Christian brothers and sisters in a way that you probably never have before. It is a taste of “Heaven on earth” and it is very often a life-changing event for participants!

FROM THE GARDEN

Greetings to All. I'm glad to announce that I have returned to the island and couldn't be happier! I'm looking forward to spending a lot of time soaking up the peace and beauty our grounds offer from one season to the next.

Hopefully you've noticed that over the past couple of months, we've had some much needed major pruning done and are clearing the way around the pond, our "Wetlands Oasis". We are planning on more clearing and some type of nature trail. Anything we plant in that area will be native plants. This too will serve as another area for us and our visitors to experience and learn more about the nature that surrounds us. This project will take some time. We will be working on it a little at a time in between our other projects.

Our Gardens were created as a place where visitors could find a sense of peace and hopefully bring them closer to God while there through his miracle of nature. It also serves as an educational garden. People can see what types of plants can grow and thrive on our island and what light is best for those plants to grow in and more importantly, what the deer won't destroy! There are also plants that attract a variety of pollinators and birds. I'm not sure if there's a better place on the island for birdwatching. I've recorded up to 17 types of birds in one sitting through the Merlin App. I highly recommend it if you want to know what birds are coming and going in your own yard or better yet, try it in our gardens early morning and late afternoon!

Now for the big news. At long last, we are working on finishing the plans for phase 3 of the project that The Grounds Beautification Committee planned almost 12 years ago. This phase will be "The Memorial Garden" and along the Memorial Wall. This will be a large project and will take a considerable amount of time and support from the friends and family of Trinity. We hope to have these plans finalized in January at which point we will send out a letter with our vision. The only hint I can give you at this time is that I believe it will surpass anything we've accomplished thus far. The Gardens at Trinity are as lovely as any I've seen. This addition will make them even more enchanting.

During this beautiful season of Christmas, a donation to the "The Gardens at Trinity" is a wonderful way to show someone you are thinking of them and of course memorials for those who have passed. Of course, we will send the recipient a lovely card letting them know of your gift. If your donation is received by December 16th, they will certainly get their card prior to Christmas. If after that time, we will still make every attempt to get the card to them as quickly as possible. While we have nothing specific to offer this Christmas as a gift, we want you to know that 100% of a gift given in honor or memory of someone goes directly to improvements such as plants or some type of garden ornaments.

Thank you all for the support and words of encouragement you offer so freely. It keeps us going and our gardens growing. Wishing you all a very Merry Christmas.

Blessings,

Jan Myers and Robby Jenkins

Serving Others - Missions Outside of Trinity

Wey couldn't have said it better-“ It was a great day for Jesus Christ on Edisto Island.” The Feeding of the Multitude was such a wonderful time for the churches on Edisto to “come to the table” . I was so pleased with the support from our church and want to thank Elaine Hampton for decorations. The Daughters for wrapping the flatware and Cheryl Moran for all the printing and reprinting of our program. Everyone got the Trinity welcome from Jan Dossett and Tonya Perryman-thank you ladies!

Our servers were Dr. Don Alexander, Robert and Susan Pratt, Van Lear Rowe, Beverly Cummings, Catherine and Philip Samulski and Anna Onufer- you are all very talented-thank you! Wey Camp and Tom Utsey were there every step of the way making sure I didn't forget anything and taking care of any issues that popped up. Thank you, both! Thanks to all who offered to volunteer as well.

Please remember Martha's Ministry when you are filling out your time and talent sheets if you like participating in events like this one.

Blessed to be on

Daughters of the King Operation Christmas Child Praise and Thanksgiving Report

Operation Christmas Child was a huge success! The packing party packed 73 boxes for a total taken to the drop off site of 137 shoeboxes!!!

Thank you to all the friends and members who graciously donated shoeboxes, donated to the packing party and shipping costs, and prayed for these precious children. I am always in awe of the love at Trinity. Thank you!! ♥

The packing party was great fun. As I chose what was going in a box I couldn't help but feel the joy when a child realizes the whole box is theirs! All the gifts!

SOWING CIRCLE NEWS

The Sowing Circle at Trinity has been involved in many worthwhile projects this year.

Our most recent project was making incubator covers for the MUSC NICU nursery. Our own Anne Camp will take these covers to the NICU for these precious little ones to enjoy. These covers were blessed at the 10:00 service on November 13.

We made small stuffed bears for the Operation Christmas Child shoe boxes. Hopefully each child that receives one of these bears can feel God's love being sent to them.

Our current project is making pillowcases for the Low Country Orphan Relief. When children are taken from their homes, they only have what they are wearing. These pillowcases are given to them to keep. Having something to call their own is very important to these children.

We would like to thank everyone that has contributed their time and talents to our group. We have truly been blessed by your support.

We usually meet the third Saturday of each month, but we will meet Saturday, December 10th. We need people to cut, iron, and sew. Come help us make pillowcases!!

On Sunday, November 6th, Trinity welcomed by Holy Baptism, Poppy Elizabeth Loy, daughter of Alex and Peter Loy and her godparents Annie Rowe, Daniel Lynch, Hallie and Griffie Loy. A celebration cake was cut on the front lawn following the service. Poppy is the great granddaughter of Trinity Member, Van Leer Rowe.

Clergy Conference - Our Rector, The Rev. Wey Camp, attended the Clergy Conference for the Anglican Diocese of South Carolina November 14th - 16th at “Epworth By The Sea” on Saint Simons Island, Georgia. In the Diocese Newsletter, the retreat was given “two thumbs up” by those who attended.
