Dear Children of God,

For everything there is a season, and a time for every matter under heaven: (Ecclesiastes 3:1)

FROM OUR RECTOR I remember first learning about “seasons” working as a CPA in Atlanta, Georgia, and the season was Tax Season! In the CPA firm we worked long hours - came in early, stayed late, did not take lunch breaks. It was exhausting, but everyone in the office did it! But after Tax Day, April 15th, we started coming to work on time, left work on time, took longer lunch breaks and even had an office party!

COVID-19 seems to be a season. We changed our life patterns: social distancing, staying home, washing hands, sanitizing, face masks. But now the season seems to be winding down, and the rhythms of life seem to be returning. Or are they?

When tax season was over, I had to be encouraged by some senior staff to shift back into our normal work flow - stop working overtime, start taking a lunch break with other staff, regain the regular rhythm of office life.

So it seems to be with COVID-19. We need to be encouraged to regain our regular rhythms of life, including our life as Believers - weekly worship, fellowship breakfast, bible study, prayer groups, choir practice, mission ministries - those activities with other Believers that helped us grow in His grace.

Our Vestry is observing the decline of COVID-19 cases and considering shifting our Sunday worship back into the historic sanctuary which would also enable us to re-start our Sunday Fellowship Breakfast. But all of this will take leadership and participation. The Fellowship Breakfast itself takes four (4) teams coming together once a month. Plus a fifth Sunday team! (See announcement in this Trumpet)

Please receive this as my encouragement to consider the rhythms of life that help you grow in His grace, and return to them.

Love, Know and Serve Him,

The Rev. E Weyman Camp IV
Rector

Worship at Trinity

We switch to our Summer Schedule on Sunday, May 30th!

Pre-recorded Internet Services

Saturday evening the Service and the Sermon Sandwich appear on our website, www.trinityedisto.com and our FaceBook Page.

The Beach Service

Trinity will offer the Renewed Ancient Holy Eucharist on the beach beside Coot's Restaurant each Sunday morning at 8:00 a.m. until the end of July. This beach service has become a beloved tradition and a great way to share the Gospel of Grace out in the "Public Square." We have lots of guests! We will preach and celebrate. The Band will be **Ashley Whaley, Richard Hampton, Crawford Moore, and led by Oeland Camp! Marion Whaley & Bill Thompson then Ron Runyon & others** will coordinate publicity and ushers. There will be singing and social distancing. Please follow the Vestry Approved Protocols.

The Meech Room Service

Trinity will offer the Renewed Ancient Holy Eucharist service at 10:30 a.m. in the Meech Room. Face Masks are optional and there will be singing! Please follow the Vestry Approved Protocols.

Memorial Day Thank you!

The Trinity Cemetery Committee extends a warm Thank you to the St. Paul's American Legion Post #145 for the Memorial Day flags marking the graves of Trinity's Veterans over Memorial Day Weekend! Jim Dorn, Chair

"The American Legion was chartered and incorporated by Congress in 1919 as a patriotic veterans organization devoted to mutual helpfulness. It is the nation's largest wartime veterans service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow service members and veterans."

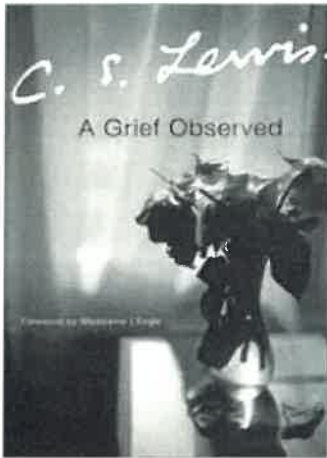

It is an honor for members of the St. Paul's Post #145 and their families to place flags near the headstone of every veteran buried at Trinity Church to commemorate our departed veterans and honor their service. Memorial Day is the only holiday on which flags are placed on the graves of those who served their country, whether they fell in battle, retired or served honorably.

Summer Book Read

Two Books - A Grief Observed and The Great Divorce by CS Lewis.

A Grief Observed
Everyone's experience of grief is unique but there are also similarities. CS Lewis observes his grief in the loss of his wife, Joy.

The Great Divorce
What is hell like? What is heaven like? CS Lewis uses his holy imagination to open us up to visions of both!

A new reading group of men and women will gather *two Thursdays* this Summer; July 15 and August 19 at 9:00 a.m. to discuss, review, compare and contrast! You are invited! Need a book? Order on-line please. This will be very uplifting!

The Rev. Wey Camp, Rector

Bishop's Visit

Our bishop, the Rt. Rev. Mark Lawrence, will be our celebrant and preacher at the Beach Service and Meech Room Service on Sunday, July 4th! We will offer confirmation, reception and reaffirmation at our 10:30 a.m. Meech Room Service. Please mark your calendars and plan to join us!

Operation Christmas Child

When you go shopping to beat the heat think of Operation Christmas box...you can purchase inexpensive items for your box(es) that would be fun for the children to receive. Things like puzzles and the throw and catch games are always fun! Dollar Tree has a lot of these items right now and they'll disappear quickly once summer gets heated up! Remember, *NO lotions, liquids, candy, food, or gum!* Trinity has always supported this ministry so well, let's keep up the good work and surpass **last year's 136 shoeboxes of love!!!**

In His Name,
Linda Hirschfeld,
DOK Liaison

Flower Guild

And just like that, it is Summer ! Hard to believe we are about half way through this year, but finally returning to some normalcy. For the ladies of the Flower Guild it has been an opportunity to try some new things with flowers. We have had a larger space to play with, the outdoor service gave us a chance to make a pair of crosses that every single member contributed to.

This Guild is blessed with a Church yard that supplies our greenery thanks to Jan Myers design and the merry band of Green Thumbs that tend it. Just walking around in search of greenery gets our creative juices flowing. We encourage anyone who has an interest to consider trying us out.

Thank you all for your continued support and especially thank you to the guild members for your time, talent and giving hearts.

Blessings,
Co-directors: Deb Grier, doug@douggrier.com
& Linda Sanders, lbs1119@hotmail.com

Our Thanks and Help Wanted!

We extend our thanks to our Sunday Breakfast Chefs and their teams for many years of faithful service!! However, COVID-19 has caused a lapse in our Fellowship Breakfasts. Therefore we are re-organizing and in need of help!

We typically have four (4) Sunday teams which serve on a monthly rotation but are in need of Breakfast Chefs and Servers. (Chiefs and Indians).

Please contact our Senior Warden, Batson Hewitt (843) 607-2900 or me, Wey Camp 843-631-0141 to express your desire to serve on a Sunday Team.

Thank you, The Rev. Wey Camp, Rector

It's Summer!

**From Our
Choirmaster**

It's nearly June! June 20th, Father's Day, is also the first day of summer it seems that each year goes by faster than the one before. Or is it just me thinking that?

We all have experienced so much stress and turmoil in our daily lives, I feel we are very blessed to have lived through it all. That phrase reminds me of a song that says:

*Through it all, through it all
I've learned to trust in Jesus,
I've learned to trust in God
Through it all, through it all
I've learned to depend upon His Word*

Words and music by Andrae Crouch.

Those words, although in a song are so true and so important. More and more I realize I have to trust more, depend more, and grow more in my daily walk with God. This is the meaning of living as Jesus would have us live – so we can have the Peace of the Comforter in our lives - the Holy Spirit!

Blessings,
Margie Moody, Pianist/Choirmaster

THANK YOU! THANK YOU!

Dear Brothers and Sisters in Christ,

The prayers of love and encouragement were truly felt.

Thank you.

Love,

Cindy and Woody Kapp

QUILTS OF VALOR FIELD TRIP

On Tuesday, May 11, Beverly Cummings, Linda Hirshfeld, and Jan Dossett took a trip to St. Matthews, SC to visit the Quilts of Valor Headquarters.

The Quilts of Valor Foundation is a group of people around the United States that make quilts for our veterans. They present these quilts at a special ceremony that honor the sacrifices these individuals have made for our country to preserve the freedoms we all enjoy.

The headquarters is a remarkable place! The workers cut material, piece quilts, put together kits, back the quilts, quilt the blankets, and then bind them. It was amazing!

On **Saturday, July 17, we are planning a "Quilting Bee"**. We will need people to sew, cut, iron, and put together a quilt kit. Please put this on your calendar! Also, I'm sure there are plenty of you that have red, white, and blue (solids and prints) fabric in your stash that needs to be shared.

Come and enjoy! Details to follow. Some of you are unable to participate in these activities, but if you would like to contribute monetarily that would be greatly appreciated. Be sure to write 'quilting projects' in the memo section on your check. Thank you.

LOWCOUNTRY ORPHAN RELIEF

The Lowcountry Orphan Relief is a foundation that helps children move from their homes to a family that will be able to take care of their needs. Each child is given a duffle bag with 2 weeks of clothing, toiletries, and school supplies.

Beverly Cummings, Linda Hirshfeld, and Jan Dossett met with a representative from this foundation, Jake Davisson, and presented him with 5 big bags of blankets. He was thrilled! The children may outgrow their clothes, but these blankets can bring comfort for years to come!

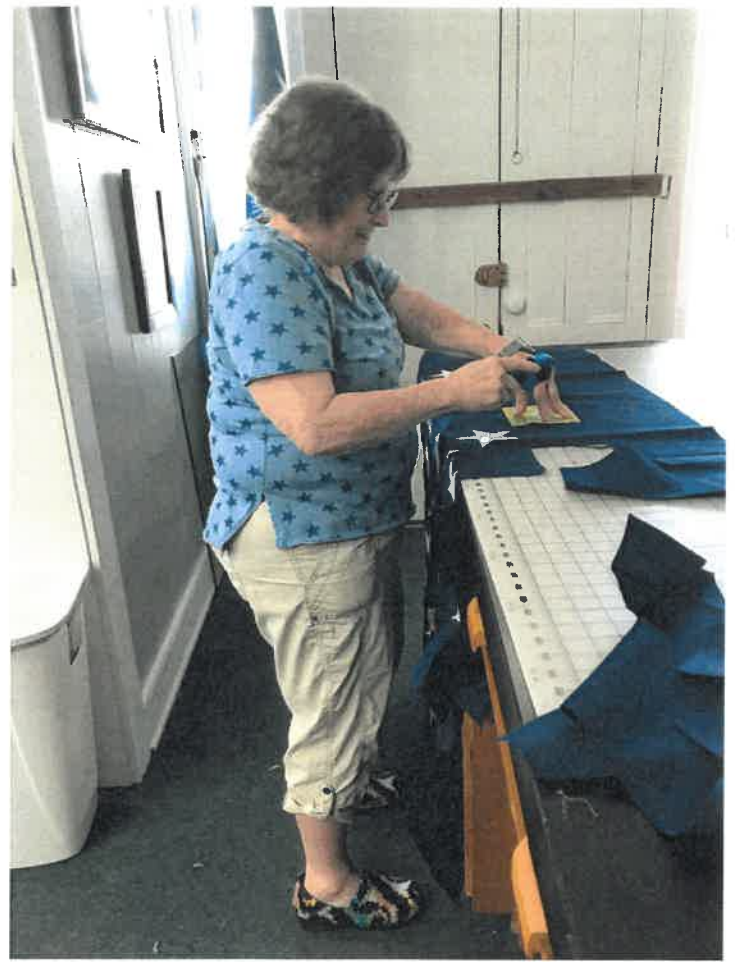

For more information on how you can help, contact Christina Lope or David Hall at the Lowcountry Orphan Relief at 843 747-4099.

Cleanest Indoor Air on Edisto!

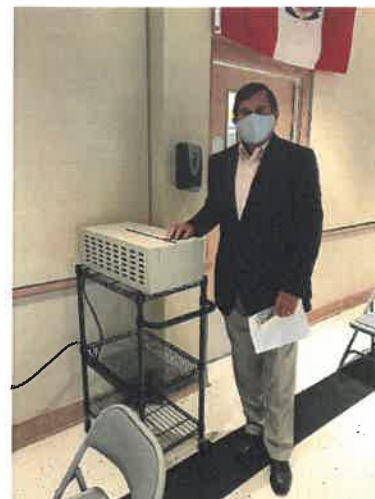

Indoor gatherings at Trinity Church are now safer than ever. We have received shipment and are using our four new "clean air curtain" Air Cleaners. All four are deployed in the Meech Room for our Sunday services. They are portable and can be moved to other rooms for smaller meetings as needed.

These units provide real time purification of the room air, "the air that we share," during these meetings. Each unit has TWO filters, a pre-filter and a HEPA filter, AND a sealed ultra violet chamber that capture or kill 99.9% of all airborne droplets and particulate matter, providing the cleanest air possible.

The pandemic has taught us that transmission of COVID as well as all other flu and bacterial respiratory diseases is primarily from person to person exposure of droplets that are aerosolized as we sneeze, cough, sing or simply talk. Having these devices in place to clean the air that we share when we meet is a huge step forward for Trinity as we move to return to more normal indoor gatherings.

The Rev. Jim Lewis, Canon to the Ordinary, in the Diocesan Office, commended Trinity on being the first church in the Diocese to provide this additional layer of protection for our parishioners.

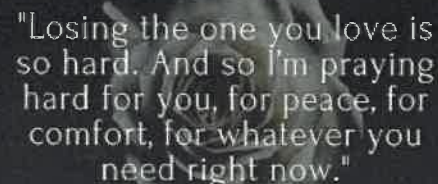

Tom Utsey,
Junior Warden
