Dear Children of God,

One of the classic ways of **learning is by contrast** - seeking to identify meaningful differences. We use this method every Sunday morning when we begin by reading the summary of The Law and then I say, "What I have just read is not the Gospel." **The Law is not The Gospel.**

**FROM OUR RECTOR**

**Who does the action?** Under The Law, I do. The Two Greatest Commandments say, *you shall love the Lord your God with all your heart ... you shall love your neighbor as yourself.* Mark 12:30,31 You shall, you shall. But under The Gospel, Jesus does the action. St. Paul writes *that Christ died for our sins ... that he was raised on the third day.* I Corinthians 15:3,4

**Which way does the love flow?** Under The Law, it flows from me to God, from me to my neighbors. But under the Gospel it flows to me from my Heavenly Father and to me from my Neighbor Jesus Christ.

Finally, **How do we respond?** Under The Law, I obey. Under The Gospel I repent and believe. The first words from Jesus in Mark's Gospel - *"The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel.* Mark 1:15.

It's a whole new Life!

One of these things is not like the other.

One of these things just doesn't belong.

Can you tell which thing is not like the other

before I finish my song (letter). From Sesame Street.

Love, Know and Serve Him,

The Rev. Wey Camp, Rector

## Music Notes

From Our  
Choirmaster

November is here. It seems that the seasons just fly by, maybe that speaks to my age? Maybe not everyone feels the same, especially our children and grands waiting for Christmas. But maybe we rush some seasons sometimes. I am not complaining - the “rushing” and all that comes with it is lovely and fun and exciting and sometimes just wonderful.

But let’s don’t forget giving thanks. November is a time we could use especially to thank God for His help during the past years. After all we are still here and still blessed to be here.

Purpose to make November a “count your blessings” month. Let’s try in “all things to give Him thanks” and “in gratitude do our asking” to God. (Paraphrased 1 Thessalonians 5:18)

Love to Our Brothers and Sisters,  
Margie Moody, Pianist/Choirmaster

## Flower Guild

While we have enjoyed the challenge of decorating the open space of the Meech's room, we have missed adorning our beautiful sanctuary. We will be decorating both the sanctuary for recorded services & the St. John's room for Christmas. Please consider donating to the **Christmas Flower Fund** or sponsoring **one of the open weeks**. We are still looking for some new members or helpers, please talk to us if interested, it is a rewarding Ministry.

If you would like to honor a loved one with altar flowers please check for available dates on the **Flower Chart** on the bulletin board in the coffee room beside the kitchen. Return this form to the church or mail it to *Trinity Episcopal Church, P.O. Box 425, Edisto Island, SC 29438*. Earmark your check '*Flower Fund*.' Thank you.

### **The Daughters of the King**

The Order of the Daughters of the King meets weekly at 9:30 a.m. on Wednesday mornings except the fourth week they meet Monday at 7:00 p.m. The Daughters are devoted to prayer for our church, rector and others - especially those who are sick or grieving. ### **“No Homework” Bible Study**

**We meet at 9:45 a.m. every Monday! Men and women are invited!** We will gather in the large Meech Room with air filters throughout the room. Our class is led by the Holy Spirit. God’s Word is a treasure to be searched and revealed. It is a privilege to have the opportunity to do this together. **Each week stands on its own**, so come as you are able.

In recognition of the water of life received from the Word each week, the **Monday No Homework Bible Study’s** outreach ministry is the digging of wells through **Life Outreach International/ Water for Life** which provides life, bringing clean water to areas in third world countries where there is none. Our Bible Study has decided to make weekly offerings that will be added to an end-of-the-year gift. This is a tangible way we acknowledge the nourishment of the water of the Word in our lives.

Also, please continue to save the pop tops off beverage cans and soup/vegetable cans. We give them to the Ronald McDonald House who use the proceeds for various projects. There is a jar in the office where they can be deposited.

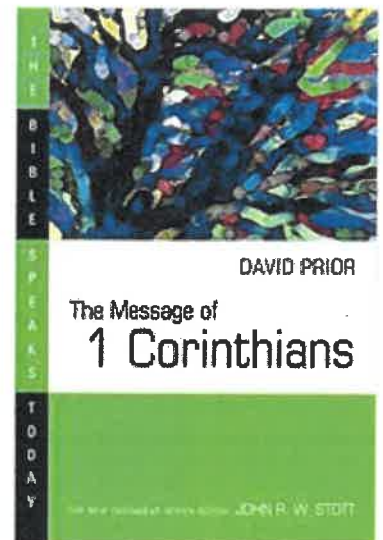

We hope you will join us each Monday as we discover the treasures God has to meet all of life’s challenges!

Contact facilitators: Sallie Currin (843-469-4498) or Martha Sparks (843-513-9606) or teacher: Penelope Wright (843-864-3657), if you have questions.

### **The Men’s Bible Study**

We read, mark, learn and inwardly digest I Corinthians on Thursday mornings at 8am. Our commentary is The Message of I Corinthians in the Bible Speaks Today series. This bible study includes faithful men from other churches on Edisto Island. We start drinking coffee at 7:45 a.m. Come try it out!

# Love the Lord - Worship From the Garden

The weather is beautiful, nature is calling. My favorite time of year in the garden! Perfect time for planting or transplanting just about anything, and we have our work cut out for us!

The **Green Thumbs Club** will be gathering on Thursday, November 4<sup>th</sup>, at 9:00 a.m. We'll be planting some annuals; snapdragons, pansies, bulbs and some perennials as well as doing a good cleanup. Many hands are needed. If you love gardening and enjoy being surrounded by nature, working in our outdoor sanctuary is free of charge, and we allow you your own space to use your creativity along with a very flexible schedule! In fact, we'll even throw in lunch on November 4<sup>th</sup>!

Please consider joining our group. Feel free to contact me if you have any questions, and do let me know if you are coming so I can be sure to have enough plants and food!

This cooler weather immediately brings Thanksgiving to mind. I start to think of all the things I'm grateful for which are many. In particular, I think of all of you who have supported our mission to create *A place of peace for all to come and enjoy Gods miracle of nature*. I am so very thankful for your continued support as we navigate onward.

As you count your blessings, this is a wonderful time of year to make a donation to our ongoing efforts in the gardens by remembering a loved one who has passed or in Thanksgiving for those who are very much alive! As always, we will send them a note of your contribution on their behalf.

It's our goal to create an outdoor sanctuary that will bring peace and joy for generations to come. There is much to do, and we appreciate any donation you can make.

### **Trinity's Vision Statement and Statements of Faith:**

*Trinity's vision is to  
Love the Lord, Know One Another and Serve Others  
that we may Grow as Children of God.*

**Mr. Keith Brooks**  
**8460 Sand Creek Lane**  
**Edisto Island, SC 29438**  
**843-869-5002**  
**e-mail: [kbrooks@jkbrooks.com](mailto:kbrooks@jkbrooks.com)**

### **1. What has been your reflection on and participation in the vision of Trinity?**

I've always desired a closer walk with the Lord and to do His will, but my own selfish interests keep getting in the way. Nevertheless, with His help, I've tried to study His Word through personal devotions, Men's Bible Study and weekly worship service. I enjoy fellowship regularly by being active in the diocesan Cursillo movement. My wife, Deb, and I serve as the Trinity parish coordinators and the Islands Ultreya rectors. I also do a small portion to assist in the worship services as a member of the adult choir and a fill-in chalice bearer. In addition, I am a member of Trinity's Missions Committee.

## **2. Tell us about your faith.**

I grew up in the Baptist church and was blessed with a strong Christian family. Although I was initially very active in various church youth groups, I was drawn away from my faith during college and considered myself an agnostic for many years. Fortunately for me, I met a wonderful Christian woman who proved, through her love and encouragement, what I had been missing in my life. When we began to attend Trinity, everything all fell into place and I finally allowed Christ back into my heart. Now, I can't seem to get enough of God's Word and the wonderful uplifting of His Spirit.

## **1. What has been your reflection on and participation in the vision of Trinity?**

I am so grateful that Trinity is my Church Family. It has been my honor and pleasure to serve with other committed Christians here at Trinity. I have served as a member of the Daughters of the King, Director of the Altar Guild, a Faith Alive leader, chairman of the Samaritan's Purse Shoebox Ministry, Martha's Ministry and the Flower Guild. I have been a support leader for the Monday Morning Bible Study. I feel participation in these groups support the Trinity Vision to Love the Lord, Know One another and Serve Others that we may grow as Children of God.

## **2. Tell us about your faith.**

Jesus is the Lord of my life. I know that the Bible is the Word of God. It is God breathed. Through reading the Bible I get to know the awesome, loving God who has saved me. By searching the Word and studying it I grow in the grace and knowledge of Jesus. His Word speaks to me and encourages and shows me the way. During difficult times I have been able to feel the Lord's presence and His loving guidance. It is my desire to become more intimate in my relationship with the Lord. One of my favorite verses is Proverbs 3:5-6

"Trust in the Lord with all your heart; lean not on your own understanding. Acknowledge Him in all your ways and He will make your path straight."

**1. What has been your reflection on and participation in the vision of Trinity?**

I have always felt that there is something for everyone at Trinity. We might not all want to get involved in everything but there is so much to offer for our congregation to grow our faith and service to Our Lord and others at Trinity. My participation at Trinity has been through Daughters of the King to help me grow in my ability to pray and learn. I have also participated in Altar Guild since we joined the church – trained by Miss Jane herself! I also love the Monday Bible Study and lately have been working at the Dental Clinic. All to help me serve others and Our Lord.

**2. Tell us about your faith.**

I grew up in a big family with solid Christian faith. We did not discuss our faith much, but we all knew that we had faith in the Lord. My father was a very spiritual person, and we all felt his calm loving faith. I believe that rubbed off on most of his children. Most of my life I have been very private in my faith. I am learning to be more open about it.

**Does everyone know Wey struggles to remember names?! ??**

**Remembering Names**

When I was introduced to a couple visiting our congregation, I decided to remember their names by noting they were the same as those of two characters in a popular children's story.

After the services I stopped to talk to them, and as they were saying goodbye I teased, "Be careful going up that hill! But you must get that all the time."

They smiled politely but said nothing. After they left, my wife asked, "What was that all about?"

"Jack and Jill. Up the hill. Remember?" I said.

"Yes, but what does that have to do with," she pointed to the couple, "Dick and Jane?"

### Annual Parish Meeting

Our Annual Parish Meeting will be on **Sunday, December 5<sup>th</sup>, at 11:15 a.m.** in the Meech Room of Temple Hall.

The Vestry will present an update on our Financial Position in 2021, the COVID-19 Response, the Lawsuits, the Safety and Security Committee and The Edisto Good Samaritan Clinic. We will also elect 3 new Vestry Members, a Diocesan Convention Delegate and any “other such business as may be properly brought before the Congregation.” (Parish By-Laws 5.2).

### Trinity’s Indoor Air Cleaners

The accumulating science is proving our decision to employ Clean Air Curtain air cleaners in all of our indoor meeting rooms at Trinity to be **THE RIGHT ONE**.

We are not alone. Clean Air Curtain air cleaners were recently chosen as the product of choice by a major multinational entertainment company. This was done after they did their own extensive testing of the devices and confirmed that they performed as advertised.

Recently published papers have also shown the effectiveness of these air cleaners in both the hospitality industry (restaurants and hotels) as well as in hospitals on patient wards and ICU settings.

Indoor air filtration remains the safest and most efficient means of protecting and improving human health in indoor spaces.
